By completing this application, you agree to the following

PacificSource Medicare is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future.

I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future.] Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15 – December 7 of every year), or under certain special circumstances.

PacificSource Medicare serves a specific service area. If I move out of the area that PacificSource Medicare serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of PacificSource Medicare, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage (also known as a member contract or subscriber agreement) from PacificSource Medicare when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border. I understand that beginning on the date PacificSource Medicare coverage begins, I must get all of my health care from PacificSource Medicare, except for emergency or urgently needed services or out-of-area dialysis services.

For plans on the Explorer PPO network: I understand that beginning on the date PacificSource Medicare coverage begins, using services in-network can cost less than using services out-of-network, except for emergency or urgently needed services or out-of-area dialysis services. If medically necessary, PacificSource Medicare provides refunds for all covered benefits, even if I get services out of network.

Services authorized by PacificSource Medicare and other services contained in my PacificSource Medicare Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, NEITHER MEDICARE NOR PacificSource Medicare WILL PAY FOR THE SERVICES.

Release of your information

By joining this Medicare health plan, you acknowledge PacificSource Medicare (we) will release your information to Medicare and other plans as is necessary for treatment, payment, and healthcare operations. You also acknowledge we will release your information including your prescription drug event data if you have a Medicare Advantage Part D plan to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations.

The information on this enrollment form is correct to the best of your knowledge. You understand if you intentionally provide false information on this form, you will be disenrolled from the plan.
