Summary of Benefits: Explorer 8 (PPO)

Coos County | Curry County | Lane County

January 1, 2018-December 31, 2018

This is a summary of drug and health services covered by PacificSource Medicare Explorer 8 (PPO). The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

You have choices about how to get your Medicare benefits

One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.

Another choice is to get your Medicare benefits by joining a Medicare health plan such as **PacificSource Medicare Explorer 8 (PPO)**.

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **PacificSource Medicare Explorer 8 (PPO)** covers and what you pay.

If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on www.Medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Who can join?

To join PacificSource Medicare Explorer 8 (PPO), you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in Oregon: Coos, Curry, and Lane.

Which doctors and hospitals can I use?

PacificSource Medicare Explorer 8 (PPO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services. Exceptions are emergencies, urgent care, and out-of-area dialysis services.

You can see our plan's provider directory on our website, www.Medicare.PacificSource.com/ Search/Provider.

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- Our plan members get <u>all</u> of the benefits covered by Original Medicare. For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- Our plan members also get more than what is covered by Original Medicare.
 Some of the extra benefits are outlined in this booklet.

PacificSource Medicare Explorer 8 (PPO)

covers Part B drugs including chemotherapy and some drugs administered by your provider. However, this plan does not cover Part D prescription drugs.

PacificSource Community Health Plans is an HMO/PPO Plan with a Medicare contract. Enrollment in PacificSource Medicare depends on contract renewal. Limitations, co-payments, and restrictions may apply. Benefits, premium, and co-payments/co-insurance may change on January 1 of each year. The formulary, pharmacy network, and provider network may change at any time. You will receive notice when necessary. Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. For a decision about whether we will cover an out-of-network service, we encourage you or your provider to ask us for a pre-service organization determination before you receive the service. Please call our customer service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
