Addendum to the 2023 Evidence of Coverage, Annual Notice of Change, and Summary of Benefits

This is important information regarding changes to your 2023 coverage.

This notice is regarding two cost-saving changes to 2023 Medicare Advantage benefits. These cost-saving benefit changes are part of the Inflation Reduction Act (IRA).

Beginning April 1, 2023, PacificSource Medicare members may pay less for certain drugs covered under Medicare Part B. If a drug had a price increase greater than the rate of inflation, your cost for those Part B drugs may be reduced.

Beginning July 1, 2023, you will pay **no more than** \$35 for a one-month supply of Part B insulin that is delivered through a pump covered under Medicare Part B as durable medical equipment.

You are **not** required to take any action in response to this document, but we recommend you keep this information for future reference. For more information regarding your benefits, the EOC can be found here: www.Medicare.PacificSource.com. If you have any questions, please call us at **888-863-3637** toll-free. TTY users should call **711**. We accept all relay calls. We are open:
