Get extra benefits and exceptional service with **PacificSource Oregon Dual Rx**

What is PacificSource Oregon Dual Rx

PacificSource Oregon Dual Rx (HMO D-SNP) is a Dual Eligible Special Needs plan. It gives **extra benefits for no additional cost** to people who qualify for both Medicare and Medicaid (Oregon Health Plan). This plan combines Medicare benefits, prescription drug coverage, and Medicaid benefits in a single, convenient plan.

Am I eligible?

PacificSource Oregon Dual Rx is available to you if:

- You qualify for Medicare Parts A and B
- You're eligible for full Medicaid benefits
- You live in one of these counties: Crook, Deschutes, Hood River, Jefferson, Marion, Polk, Wasco, or Klamath (zip codes 97731, 97733, 97737, and 97739)

Will enrolling in Dual Care reduce my Medicaid benefits?

No, in fact, our D-SNP plan adds **more coverage to your current medical and drug benefits**.

All the benefits of Medicaid and Medicare — **at no cost to you**

A single health plan from PacificSource delivers:

\$0 Medicaid-covered dental care—many routine procedures

\$0 alternative care, including chiropractic and acupuncture*

\$0 annual routine eye exam

\$0 preferred generics (tier 1 and tier 2)

\$0 rides to and from your healthcare appointments

Your costs may vary if your Medicaid eligibility category changes.

*Limits apply. Prior authorization required.

The kind of support you'd expect from a friend

At PacificSource, serving you is personal.

If you are struggling with challenges such as food insecurity, housing, or transportation, our Member Support Specialists and Care Management teams are here to connect you with providers and community organizations to help.

The doctors and hospitals you want

The thousands of doctors and facilities who care for our members are consistently rated among the best in the region. And our plans don't require referrals.

Part of your community

PacificSource was founded right here in Oregon. We have many years of experience as a Coordinated Care Organization, providing Medicaid and Medicare services with a local, human touch.

This is a summary. Cost shares, benefits, premiums, and deductibles in this brochure reflect Medicare and full Medicaid coverage. Your costs may vary if your Medicaid eligibility category and/or the level of Extra Help you receive changes. Contact us or your broker if you have questions.

More benefits of your Oregon Dual Rx plan

Rides to health visits

We help members get rides to healthcare services that your health plan covers. This benefit is called Non-Emergent Medical Transportation (or NEMT). The NEMT provider will work with you to get you the best ride for your needs. There is no cost to you for this service.

Care coordination

Our Health Services teams are here to help you manage your healthcare.

We can:

- Work with you and your doctors
 - Connect you with local resources and offer support
 - At no cost to you
-

\$0 dental benefits

Dental care is important to your overall health. Your plan covers dental exams, cleanings, fluoride, and x-rays. You're also covered for services such as fillings, crowns, surgery, dentures, and bridges. Limits apply.

Get your medications your way

\$0 tier 1 and tier 2 preferred generic medications

Tier 1 and tier 2 preferred generic drugs are \$0 on our Oregon Dual Rx plan. You'll pay \$0 for up to a 90-day supply. Most vaccines are also covered at no cost.
