Important information about paying your plan premium

If you are assessed a Part D Income Related Monthly Adjustment Amount (IRMAA), you will be notified by the Social Security Administration. You will be responsible for paying this extra amount in addition to your monthly premium. You will either have the amount withheld from your monthly Social Security check or be billed directly by Medicare or the Railroad Retirement Board (RRB). **DO NOT** pay PacificSource Medicare the Part D-IRMAA.

state law to complete this enrollment, and 2) documentation of this authority is available upon request from Medicare.

People with limited incomes may qualify for Extra Help to pay for their prescription drug costs. If eligible, Medicare could pay for 75% or more of your drug costs including monthly prescription drug premiums, annual deductibles, and co-insurance. Additionally, those who qualify will not be subject to the coverage gap or late enrollment penalty. Many people are eligible for these savings and don't even know it. For more information about this Extra Help, contact your local Social Security office or Social Security at (800) 772-1213. TTY users should call (800) 325-0778. You can also apply for extra help online at www.SocialSecurity.gov/PrescriptionHelp. If you qualify for Extra Help with your Medicare prescription drug coverage costs, Medicare will pay all or part of your plan premium. If Medicare pays only a portion of this premium, we will bill you for the amount that Medicare doesn't cover.

Employer or union information

If you currently have health coverage from an employer or union, joining PacificSource Medicare could affect your employer or union health benefits. You could lose your employer or union health coverage if you join our plan. Read the communications your employer or union sends you. If you have questions, visit their website, or contact the office listed in their communications. If there isn't any information on whom to contact, your benefits administrator or the office that answers questions about your coverage can help.

By completing this application, you agree to the following

PacificSource Medicare is a Medicare Advantage plan and has a contract with the Federal government. I will need to keep my Medicare Parts A and B. I can be in only one Medicare Advantage plan at a time, and I understand that my enrollment in this plan will automatically end my enrollment in another Medicare health plan or prescription drug plan. It is my responsibility to inform you of any prescription drug coverage that I have or may get in the future.

I understand that if I don't have Medicare prescription drug coverage, or creditable prescription drug coverage (as good as Medicare's), I may have to pay a late enrollment penalty if I enroll in Medicare prescription drug coverage in the future. Enrollment in this plan is generally for the entire year. Once I enroll, I may leave this plan or make changes only at certain times of the year when an enrollment period is available (Example: October 15 – December 7 of every year), or under certain special circumstances.

PacificSource Medicare serves a specific service area. If I move out of the area that PacificSource Medicare serves, I need to notify the plan so I can disenroll and find a new plan in my new area. Once I am a member of PacificSource Medicare, I have the right to appeal plan decisions about payment or services if I disagree. I will read the Evidence of Coverage (also known as a member contract or subscriber agreement) from PacificSource Medicare when I get it to know which rules I must follow to get coverage with this Medicare Advantage plan. I understand that people with Medicare aren't usually covered under Medicare while out of the country except for limited coverage near the U.S. border. I understand that beginning on the date PacificSource Medicare coverage begins, I must get all of my health care from PacificSource Medicare, except for emergency or urgently needed services or out-of-area dialysis services.

Services authorized by PacificSource Medicare and other services contained in my PacificSource Medicare Evidence of Coverage document (also known as a member contract or subscriber agreement) will be covered. Without authorization, NEITHER MEDICARE NOR PacificSource Medicare WILL PAY FOR THE SERVICES.

Release of your information

By joining this Medicare health plan, you acknowledge PacificSource Medicare (we) will release your information to Medicare and other plans as is necessary for treatment, payment, and healthcare operations. You also acknowledge we will release your information including your prescription drug event data if you have a Medicare Advantage Part D plan to Medicare, who may release it for research and other purposes which follow all applicable Federal statutes and regulations.

The information on this enrollment form is correct to the best of your knowledge. You understand if you intentionally provide false information on this form, you will be disenrolled from the plan.

PacificSource Community Health Plans is an HMO/PPO plan with a Medicare contract Enrollment in PacificSource Medicare depends on contract renewal. You will need to keep your Medicare Parts A and B. You must continue to pay your Medicare Part B premium.
