Explorer 6 (PPO)

Southwestern Idaho

January 1, 2018–December 31, 2018

This is a summary of drug and health services covered by PacificSource Medicare Explorer 6 (PPO). The benefit information provided is a summary of what we cover and what you pay. It doesn't list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, call us and ask for the "Evidence of Coverage."

You have choices about how to get your Medicare benefits

One choice is to get your Medicare benefits through Original Medicare (fee-for-service Medicare). Original Medicare is run directly by the Federal government.

Another choice is to get your Medicare benefits by joining a Medicare health plan such as **PacificSource Medicare Explorer 6 (PPO)**.

Tips for comparing your Medicare choices

This Summary of Benefits booklet gives you a summary of what **PacificSource Medicare Explorer 6 (PPO)** covers and what you pay.

If you want to compare our plan with other Medicare health plans, ask the other plans for their Summary of Benefits booklets. Or, use the Medicare Plan Finder on www.Medicare.gov.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at www.Medicare.gov or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Our service area includes the following counties in Idaho: Ada, Blaine, Boise, Camas, Canyon, Elmore, Gem, Gooding, Jerome, Lincoln, Owyhee, Payette, Twin Falls, and Valley.

Which doctors and hospitals can I use?

PacificSource Medicare Explorer 6 (PPO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services. Exceptions are emergencies, urgent care, and out-of-area dialysis services.

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

Like all Medicare health plans, we cover everything that Original Medicare covers—and more.

- **Our plan members get all of the benefits covered by Original Medicare.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

PacificSource Medicare Explorer 6 (PPO)

covers Part B drugs including chemotherapy and some drugs administered by your provider. However, this plan does not cover Part D prescription drugs.

Monthly Premium, Deductible, and Limits on How Much You Pay

Monthly Premium

You must continue to pay your Medicare Part B premium.

\$15 per month

Medical Deductible

This plan does not have a deductible for covered medical services.

Out-of-pocket Maximum

Like all Medicare health plans, our plan protects you by having yearly limits on your out-of-pocket costs for medical and hospital care.

Your yearly limit in this plan:

- **\$6,700** for Medicare-covered services you receive from in-network providers.
- **\$10,000** combined for Medicare-covered services you receive from any provider. Your limit for services received from in-network providers will count toward this limit.

If you reach the limit on out-of-pocket costs, you keep getting covered hospital and medical services and we will pay the full cost for the rest of the year.

Please note that you will still need to pay your monthly premiums.

Coverage Limits

- Our plans have an annual coverage limit for certain in-network benefits. Contact us for information about which in-network benefits have an annual coverage limit.
