The kind of help you'd expect from a friend

At PacificSource, member service is more than professional—it's personal. Best of all, it's local. The people who help you are right here in the Northwest.

Our local Customer Service representatives answer your calls in less than 30 seconds on average, according to internal call reports. And we're committed to going beyond what's required to make sure you're satisfied. With PacificSource Medicare, you can get:

A plan that works closely with local providers to deliver the best possible care, experience, and cost. Together, we help make your healthcare easier and more effective.

Quality, affordable coverage that includes dental, vision, hearing aids, alternative care, \$0 preventive care, and \$0 transitional care

Local, human service—not automated phone trees or offshore call centers.

No referrals required. Some specialists may require them, but our plans won't make you see a primary care doctor for a referral.

No-cost programs that support your well-being, including an extensive fitness program, over-the-counter shopping allowance, and post-hospital meal delivery.

Support beyond healthcare. When members struggle with challenges, such as food insecurity, housing, or transportation, our local Member Support Specialists find ways to help.

PacificSource is a **not-for-profit community health plan**. Our duty is to members, healthcare providers, and brokers—not shareholders.

The doctors and hospitals you want, throughout the Northwest and around the world

Our provider network spans four states and includes thousands of practitioners and facilities—many of the best-known names in the region.

Working in concert with our local Care Management teams, providers in our network focus on proven, cost-effective treatments, and their compensation is based on value, not volume.

For ultimate freedom, pick a plan with out-of-network benefits

Want to see any doctor who accepts Medicare, anywhere in the country?

Our **MyCare™ Choice** and **Explorer** plans let you do just that (though you'll save by staying in-network). These are great plans for people who enjoy travel—or just like keeping their options open.

Even more peace of mind: all our plans feature in-network copays for urgent care, ambulances, and emergency services worldwide.

On our MyCare™ plans, we've teamed up with St. Luke's Health Partners (SLHP), an Idaho-based, integrated network of providers. The SLHP network currently includes more than 2,800 healthcare providers, 6 hospitals, and 200+ healthcare clinics.
