Things to Know About PacificSource Medicare Essentials Rx 26 (HMO)

Who can join?

To join **PacificSource Medicare Essentials Rx 26 (HMO)**, you must be entitled to Medicare Part A, be enrolled in Medicare Part B, and live in our service area. Our service area includes the following counties in Oregon: Coos and Curry.

Which doctors, hospitals, and pharmacies can I use?

PacificSource Medicare Essentials Rx 26 (HMO) has a network of doctors, hospitals, pharmacies, and other providers. If you use the providers that are not in our network, the plan may not pay for these services. Exceptions are emergencies, urgent care, and out-of-area dialysis services.

You must generally use network pharmacies to fill your prescriptions for covered Part D drugs. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies.

You can see our plan's **provider directory** on our website, www.Medicare.PacificSource.com/Search/Provider.

You can see our plan's **pharmacy directory** on our website, www.Medicare.PacificSource.com/Search/Pharmacy.

Or, call us and we will send you a copy of the provider and pharmacy directories.

What do we cover?

- **Our plan members get all of the benefits covered by Original Medicare.** For some of these benefits, you may pay more in our plan than you would in Original Medicare. For others, you may pay less.
- **Our plan members also get more than what is covered by Original Medicare.** Some of the extra benefits are outlined in this booklet.

We cover Part D drugs. In addition, we cover Part B drugs, such as chemotherapy and some drugs administered by your provider.

You can see the complete plan formulary (list of Part D prescription drugs) and any restrictions on our website, www.Medicare.PacificSource.com/Search/Drug.

Or, call us and we will send you a copy of the formulary.

How will I determine my drug costs?

The amount you pay depends on the drug's tier, the pharmacy, and which benefit stage you have reached. See your formulary to locate which tier your drug is on. See the Prescription Drug Benefits page of this document for more detail on the benefit stages: initial coverage, coverage gap, and catastrophic coverage.
