Medicare Advantage plans give you more.

PacificSource Medicare gives you...more than that.

**"Going beyond what's required" isn't just a slogan.
It's a company-wide commitment.**

It's not just that we offer competitive plans with great features and benefits. It's our personal service and commitment to your satisfaction and health that really set us apart.

We're a **not-for-profit community health plan**, with a duty to members, healthcare providers, and brokers—not shareholders.

Local human service, not automated phone trees or offshore call centers. When you call with questions, a friendly, local person is there to help you.

No referrals required. Some specialists may require them, but our plans won't make you see a primary care doctor for a referral.

Support beyond healthcare. When members struggle with challenges, our Member Support Specialists get involved, enlisting local resources and finding ways to help.

The doctors and hospitals you want, throughout the Northwest and around the country

Our provider network spans four states and includes 40,000+ practitioners and facilities—many of the best-known names in the region.

For extra peace of mind, all our plans include an annual "out-of-pocket maximum" (see chart).

For ultimate freedom, pick a plan with out-of-network benefits

Want to see any doctor, dentist, or alternative care provider who accepts Medicare, anywhere in the country? Our plans let you do just that. These are great plans for people who enjoy travel—or just like keeping their options open.

Even more peace of mind: all our plans feature in-network copays for urgent care, ambulances, and emergency services worldwide.
