

Preventive Care Guide

PacificSource Dual Care Plans

Take an active role in your well-being by adding key preventive measures to your calendar. **Many preventive care services are covered at 100%.** Completing your routine physical or annual wellness exam will earn you a \$50 gift card. Completing a Health Risk Assessment will earn you a \$15 gift card.

You should see your personal doctor at least once each year. You may find it helpful to bring this guide to your checkup or annual wellness visit, so you'll remember to ask about:

- Any health concerns, symptoms, or questions
- Recent test results, and tests that your doctor may recommend
- Medications you are taking or considering (prescription and over-the-counter)
- Managing your care, including upcoming appointments and specialist visits

Your covered doctor visits

If you don't have a personal (primary care) doctor, it's a good idea to choose one. They can help coordinate your care and track your health across time. Having an established doctor may also make it easier to get appointments when you're sick.

For help finding a doctor, contact us or visit our website.
